Dear Candidate

Thank you for showing an interest in working at Denewood Academy. This is an exciting opportunity to join a team central to the city's Alternative Provision Strategy.

Denewood is an onsite school for children aged 7 to 14 who have experienced permanent exclusion from traditional schools. Denewood Academy has received a million-pound investment from the Trust over the past year to enhance the quality of facilities for our pupils and the team. We have much to accomplish right now, and we seek dynamic, child-centred professionals to join us on our transformational journey. Over the next twelve months, the Trust will shift from focusing on a 7-14-year-old model to a post-14 approach.

Using the 5 C's model, we support our pupils to develop a positive **character**; better preparing them for life-long learning and good choices. We ensure pupils leave with **confidence** and a **curiosity** to develop new skills and we encourage pupils to use their **creativity** to deal with new **challenge**. We are determined in our ambition to create an educational and social experience that meets our learners' academic and emotional needs. We achieve this within a caring, supportive, trauma-informed and structured environment.

These positions present an exciting and challenging opportunity for the right candidates. Postholders will also influence educational provisions for pupils with additional needs, ensuring they receive high-quality teaching support. The focus will be on ensuring our pupils progress and access their next steps in education, employment, and training.

The impact this school has on the lives of our pupils, together with the passion and dedication of our staff, makes me proud to be the Head of School at Denewood Academy.

Kind regards

A handwritten signature in blue ink that reads "Mark Clifford".
